Dear Ms. Welden:

This will acknowledge receipt of your letter of May 24, 1994 regarding the Cochran Suggs families.

I found Hiram A. Suggs and his family in Jasper County, MS in the census of 1870. Enclosed are copies of my work sheets in Jasper County, MS. According to the census Hiram A. Suggs was born in Tennessee and Martha Ann Cochran was born in Missouri. I suspect that these two birth places are correct. Hers especially because I find other Cochrans in Jasper County that show Missouri as their birthplaces. They are probably the brother and sister of Martha Ann. I was unable to find her parents.

I believe that she was the second wife of Hiram A. Suggs. His first two children show Alabama for a birth place and there is a 5 year between the second and third children. This leads me to believe that Hiram married her probably in 1857.

I checked the 1850 census index for Tennessee and did not find Hiram A. Suggs. I also checked the Alabama Census index for Hiram and did not find him. I also checked what Missouri books I have and found nothing. I do not have the Missouri census film.

I do not find Martha Ann among the Cochrans in Jackson or Greene or Wayne counties, MS. I have studied these Cochrans for years and I checked all my material and did not find her.

I wish that I could have helped more. If I can help further, please let me know.

Sincerely,

Jean Strickland
